

Sant Bani School Visitor Information

Parking Information

For sports and event parking, visitors should use **179 Osgood Road** as the GPS address. All visitors should park on the Access Road that runs parallel to Osgood Road. Look for the Event Parking sign on your right. A SBS employee will direct traffic.

Please do not use our main school entrance on Ashram Road. This area is congested in the afternoon due to staff parking and our after school parent pickup.

Restrooms

Visitors may use the restrooms located on the lowest floor of our main school building. Look for the light blue door and accompanying sign.

School Facilities

Sant Bani's after school program runs until 4:30 PM. Even after students depart, use of the school's playground adjacent to the field is limited to supervised Sant Bani students or siblings.

Pets

While we love animals, we also want to be mindful to visitors with allergies or a fear of dogs. Please leave furry friends at home (unless they are a service dog).
