Head of School Search Update

December 11, 2024

Dear Sant Bani School Faculty, Families, and Friends,

Thank you for your continued interest in and engagement with the Head of School search process. Our finalist candidates were warmly welcomed and left their campus visits deeply impressed by Sant Bani School. We appreciate your hospitality, as well as your help in assessing the candidates and providing essential feedback for consideration.

The search committee is now fully immersed in synthesizing and reviewing information relevant to our decision-making. Resources include our Carney Sandoe consultants, comprehensive survey data, and input from individual members of the community, faculty, administration, staff, parents, and students. Most importantly, we are conducting extensive referencing, which provides deep insight into each candidate from those with whom they have worked. In the coming days, after a rigorous process of due diligence and deliberation, we will recommend one candidate to the Board of Trustees. We anticipate a public announcement in the coming weeks.

Thank you for your support and patience in this important final stage.

Warmly,
